

# THE RETREAT DAR ES SALAAM

## FACT SHEET

The Retreat, an exclusive boutique hotel with only five rooms, is situated in a huge tropical garden on the Indian Ocean with direct access to the beach. Three rooms face the swimming pool and the flowering trees, and three rooms are off terraced balconies overlooking the sea and islands. None of the facilities are open to the public, protecting the private luxury of guests and their friends. Swiss-owned, The Retreat provides the international standard demanded, including minibar and AC in the rooms and satellite-television in the lounge.

Begin the morning to the songs of local fishermen hauling in their catches, and eat fresh tropical fruits on the teakwood verandah. End the day with a refreshing swim, then a cocktail in the ocean-side gazebo, before retreating to outdoor candlelit cuisine that entices the guests back again and again – including fine wines, fresh-baked bread, fish caught only hours before, piquant grilled or marinated meats, and vegetables plucked from nearby gardens.

Furnished throughout in rare African art, Zanzibar antiques, four-poster beds and couple bath, The Retreat Dar es Salaam brings you international style comfort in a private Villa with all the romance of colonial, coastal Africa, just 40 minutes away from the City Centre or the International Airport.
